SALICE PAOLO

REFLEX

REFLEX

Davide Diliberto e Manuela Bucci

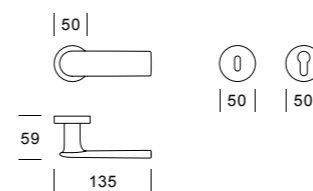

Espressione dei trend più attuali in cui coesistono un aspetto morbido e un design regolare, valorizzati dagli spessori sottili. Ideale per ambienti moderni e il contract.

An expression of the latest trends in which a soft appearance coexists with a regular design, enhanced by its thin outline. Perfect for modern locations as well as contract projects.

LIFE

LIFE

Davide Diliberto e Manuela Bucci

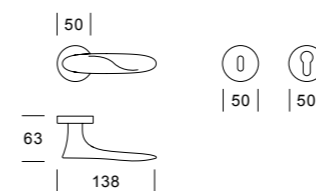

L'essenza del design ergonomico, dove il metallo liquido prende vita, assecondando le forme della mano. Decora con i chiaroscuri decisi e contrapposti, in continuo movimento.

The essence of ergonomic design, where the liquid metal comes to life supporting the hand shapes. Enhance with definite and contrasted "chiaroscuro", in a never-ending motion.

WOOD

WOOD

Davide Diliberto e Manuela Bucci

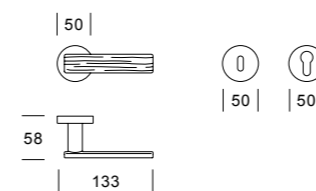

Nasce per risolvere esigenze di abbinamento con pavimenti, soffitti, travi a vista e mobilio in cui il legno è protagonista. Moderna, ironica e camaleontica, si adatta ad ambienti minimalisti, industrial e persino country.

Born to solve the need of matching floors, ceilings, oak-beamed and furniture where wood is the only protagonist. Modern, ironic and chameleon adapts to minimalist, industrial and even country settings.

Studio Salice Paolo

La rosetta più piccola sul mercato: 33 mm di diametro, 3 mm di spessore grazie ai componenti inseriti nella porta. Un design extra flat che valorizza al massimo ogni maniglia.

The smallest rose on the market: 33 mm diameter, 3 mm thick thanks to the components inserted in the door. An extra flat design that makes the most of each handle.
